**DELMARVA VETERAN BUILDERS AWARDED VIRGINIA DEPARTMENT OF TRANSPORTATION  
ACCOMACK RESIDENCY VEHICLE MAINTENANCE SHOP PROJECT**

**SALISBURY, Md. – February 3, 2016** – Delmarva Veteran Builders, the region’s only commercial construction firm dedicated to bringing employment to U.S. Armed Forces Veterans, announced being awarded a new construction project for a 10,000 square foot, VDOT Accomack Residency Vehicle Maintenance Shop to be located at the corner of Rt. 13 and Courthouse Avenue in Accomack, Virginia.

The structural steel and masonry construction will be for a single story facility equipped with offices and vehicle bays used for servicing VDOT vehicles. The facility will also include a bridge and job crane installation. Delmarva Veteran Builder’s Daniel Mills will be the project manager and Fletcher Schrodt will serve as the superintendent on the job.

“Having the opportunity to serve the needs of an Eastern Shore of Virginia service provider allows Delmarva Veteran Builders to expand our reach on the peninsula,” said Chris Eccleston, Delmarva Veteran Builders, president. “We look forward to working with VDOT to enable them to ensure safety to travelers on Accomack’s network of roads.”

Delmarva Veteran Builders has scheduled project completion for November, 2016.
