DELMARVA VETERAN BUILDERS AWARDED RENOVATION OF CAMBRIDGE YOUR DOC'S IN

Project Marks DVB's 7th Medical Office Building

SALISBURY, Md. – June 8, 2015 – Delmarva Veteran Builders, the region's only commercial construction firm dedicated to bringing employment to U.S. Armed Forces Veterans, announced being awarded the renovation of Your Doc's In, at 300 Sunburst Highway in Cambridge, Maryland. The project includes interior and exterior renovations of the entire building which covers approximately 3,200 square feet of medical office space.

"We are excited to bring something new to a community that does not currently have a walk-in emergency clinic," said Chris Eccleston, Delmarva Veteran Builders, president. "Projects like this allow us to provide a comfortable, functional space for the professionals caring for patients within that community. We are confident that we can get the work done within the designated timeline."

This marks Delmarva Veteran Builder's 7th medical office building project in the company's two and a half year history. DVB, recommended for the job is scheduled to complete renovations by early November.
