DELMARVA VETERAN BUILDERS WELCOMES NEW PROJECT MANAGER, KATHRYN ELLIS TO THE TEAM

SALISBURY, Md. – September 25, 2017 – Delmarva Veteran Builders, the region’s only commercial construction firm dedicated to bringing employment to U.S. Armed Forces Veterans, announced the addition of Kathryn Ellis to the DVB team. Her role as project manager includes the coordination and direction of day to day construction projects from inception to completion, managing the technical side of projects and business development.

“Kathryn’s extensive leadership experience with high performance design and sustainability will help strengthen our team,” said Chris Eccleston, Delmarva Veteran Builders. “She is respected in the industry for her thoroughness with customers which is and always will be a high priority for Delmarva Veteran Builders. In the short time she has been with the company, we have already seen an impact from the strong relationships she established with vendors, manufacturers and sub-contractors.

Kathryn has nearly 10 years of experience in project management in new construction and renovation for a variety of commercial projects. Her diverse portfolio features corporate, government and medical projects in addition to car dealerships, hotels and multi-family housing.

A certified interior designer, Kathryn earned the National Council for Interior Design Qualification Certification. She graduated in 2008 from George Washington University with a Bachelor in Fine Arts in Interior Design. Her work experience started the summer after graduation with BBGM Architects and Interiors in Washington DC. When she moved to the Eastern Shore she worked for Temco Builders for four years and Fisher Architecture for six years.

Kathryn has a strong design background and extensive familiarity with accessibility standards and experience with understanding efficient circulation. Her strong insight into the functionality and practicality of selected materials help deliver a quality product to each customer within the projected timeline and budget.

Kathryn and husband Jonathan live in Ocean Pines with their dog Finn. She enjoys helping Jonathan grow his family owned business.
